

Dear Kiran Soorya R S

Congratulations! We officially confirm that you are shortlisted and enrolled into your Machine Learning program at Unlox Academy – where education meets innovation. Your batch begins in September 2025. This is your first step into a transformative learning experience. At Unlox, we don't just teach; we build careers. Your journey will be powered by personalized learning, immersive experiences, and real-world application.

What's Coming Your Way:

Your Personal Mentor – Blu!

Meet Blu, your 1-on-1 AI mentor, trained to understand how you learn. Blu helps you stay on track, clears doubts instantly, and adapts to your pace so you're never left behind.

Smart Labs Access

Step into Smart Labs, your virtual high-performance workspace. Work on industry-level projects using pre-installed tools and licenses—without needing expensive hardware.

Prepfree Access

Prepfree allows all the users to train for interviews, prepare resumes according to their strength, take multiple mock interviews to test their knowledge all with the help of AI.

This platform is trusted by top universities in India and attested by Startup India & DPIT. The only platform that provides genuine job opportunities with only a motto to bridge the employment gap.

Unlock Career Opportunities – We've Got You Covered

At Unlox, every enrolled student gets exclusive access to verified job and internship opportunities curated by our industry partners.

Whether you're looking for remote, hybrid, or full-time roles, we connect you with employers actively hiring for interns in your chosen domain.

Here are your learning perks:

Live Projects + Portfolio Building – Your work speaks louder than your résumé.

Resume + Interview Support – Powered by AI + mentor inputs.

Guaranteed Access to Job Opportunities – Across startups, corporates, and global firms.

Dedicated Placement Support – We track your growth and match you to the right openings.

Career Matchmaking with Real Results – No generic job boards. Only relevant offers that match your skill path.

From the classroom to the boardroom, we walk with you every step of the way.
